OUR OCCUPATIONAL HEALTH AND SAFETY POLICY

The values of our Occupational Health and Safety Policy implemented by our company come from our respect for people and the environment we live in. Occupational health and safety are our priorities in every field in which we work. To ensure a healthy and safe working area, everyone is responsible for doing what is necessary within their own areas of authority. As Zeytursan, it is our responsibility to protect all our employees and the environment we live in against the possible risks of our business line and all our activities.

Accordingly;

- In workplaces and extensions, to ensure the health and safety of employees, subcontractors, visitors, and company personnel working outside the workplace, to take all kinds of precautions in accordance with the OHS legislation in force and other OHS-related requirements, to keep tools and personal protective equipment available and to ensure their use when necessary,
- To identify risks that may cause occupational accidents and occupational diseases in the workplace, to ensure the health, safety and social welfare of employees at all levels, visitors and subcontractors, and to prevent all kinds of material and moral losses that may arise in the future for themselves and their families,
- To detect and eliminate unsafe situations and movements in the workplace and its annexes that may cause occupational accidents and occupational diseases, as well as possible accident risks, by making an effective risk assessment,
- To train our employees in the field of occupational health and safety and to ensure that they reach good occupational health and safety awareness,
- To ensure that subcontractors and visitors serving at the workplace comply with the rules regarding occupational health and safety determined by Zeytursan in accordance with current legislation,
- To make our company an exemplary company in the eyes of affiliated institutions, chambers of industry, and associations, with the practices carried out within the framework of our Zeytursan Occupational Health and Safety Policy,
- We are committed to ensuring the continuity of our OHS Management System, which has been established and implemented in this direction, with our Zeytursan Occupational Health and Safety Policy and practices.
